Apr 90 Team Surgeon
Operation **Starlite 3**

Served as the senior medical officer for a 50-soldier detachment deploying to Guyana as a Medical Readiness Training Exercise in support of SOUTHCOM mission objectives. Provided direct health care to local natives and to medical team members. Performed emergency abdominal surgery on a U.S. Army enlisted engineer who became ill while in Guyana on a separate mission.

Oct 89 Participant, Workshop for Ob/Gyn Manpower Standard
Joint Healthcare Management Engineering Team
Office of the Assistant Secretary of Defense - Health Affairs

One of 17 physicians, nurse midwives, and nurse practitioners from the Army, Navy, and Air Force who developed complete descriptions and time requirements for all tasks performed in Ob-Gyn work centers. The group also developed workload and work unit definitions, and made the final selection of appropriate measurement sites.

Jul 86 - Jul 90 ATLS Instructor Surgeon
Mobile Medical Training Team
Joint Medical Readiness Training Center

Served as ATLS Instructor for Special Forces soldiers and Reserve Component health providers, teaching in both domestic and overseas locations.

Oct-Nov 84 Physician Inspector
Office of the Inspector General
Eighth U.S. Army, Korea

Assisted in conducting an Annual General Inspection evaluation of medical services of the 2d Infantry Division, concentrating in the areas of credentialing, peer review and physician-extendor supervision, documentation, pharmacy activities, and general adherence to Army regulations concerning medical activities.
